

WATPA

Non-supplanting Declaration

Supplanting

WATPA funds must be used to supplement existing funds for program activities and must not replace those funds that have been appropriated for the same purpose.

Supplanting shall be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the applicant or grantee will be required to supply documentation demonstrating that the reduction in non-WATPA resources occurred for reasons other than the receipt or expected receipt of WATPA funds.

The _____ (Applicant Agency) certifies that any funds awarded through **WATPA** shall be used to supplement existing funds for program activities and will not replace (supplant) non-WATPA funds that have been appropriated for the purposes and goals of the grant.

The _____ (Applicant Agency Chief or designee) understands that supplanting violations may result in a range of penalties, including but not limited to suspension of future funds under this program, suspension or debarment from **WATPA** grants, recoupment of monies provided under this grant, and civil and/or criminal penalties.
